With more than 20 fairs, over 268 international galleries, several off-site installations to explore, [#MiamiArtWeek](#) is definitely not for the faint of heart.

Here are some pieces that caught our eye:

1. The Prada Double Club Miami by Carsten Höller
2. 'Franchise Freedom' by studio DRIFT
3. 'I Love You Neither' series by Sarah Bah Bah
4. Vaulted elliptical mirror depicting 'the psychology of human experience' by Es Delvin
5. Laurence de Valmy Fine Art's take on Hockney's Splash Pool
